The FY 2010-11 General Fund Nondepartmental budget includes funding for general City expenditures not attributable to a specific City department. Some highlights for the allotments are as follows:

The number of City Newsletter issues has been reduced from 5 to 4 annually.

City advertising reflects a reduction as the FY 2010 budget included approximately \$25,000 for the Citizen Survey that was conducted for the development of the new three-year Strategic Plan.

Retiree medical insurance has been increased by approximately \$600,000 based on prior and current year actuals.

The amount paid to New Hanover County for the collection of property tax is based on the City's tax levy at a rate of 1.75%.

The City's independent audit went out for bid in the current year for the upcoming audit and based on the outcome resulted in a reduction in this expenditure.

An increase in the expense for storm water fees associated with City-owned streets includes a 4% increase in the storm water utility rate from \$5.10 to \$5.30 per ERU for FY 2010-11.

The elimination of funding for City-wide Technology Projects and reductions to the City-wide Intern Pool and City Marketing are the result of budget pressures for the fiscal year.

Allocated costs represents a credit for overall General Fund expenditures in support of non-General Fund activities such as Storm Water, Solid Waste, Golf, and Parking. The offsetting expense for these services is found in each of the respective funds.
